MOBILE EDUCATION PARTNERSHIPS:

ABOUT US:

- For the past 21 years, MEP has worked with victims of war, poverty and oppression in Myanmar regardless of their ethnic/religious background.
- We continue to support our partners in Myanmar in spite of the military coup and Covid-19.
- At this time of increasing need, we offer hope and the opportunity of education for refugees and marginalised communities on the Thai/Myanmar border, and with victims of conflict and neglect in Kachin State and Mon State, Myanmar.

WHAT WE DO:

- We are education specialists who build sustainable, long-term relationships with partners in the most difficult to reach areas of Myanmar.
- Our projects focus on teacher training (including English Language courses, leading to internationally recognised Cambridge certificates).
- Our aim is to improve the life chances of children and adults in these disadvantaged communities.

CYCLE-21 CHALLENGE:

- Celebrating 21 years of work and International World Bicycle Day - MEP have set the CYCLE-21 CHALLENGE.
- Cycle related ideas include: cycle to 21 villages; cycle 21 laps around the park; do a cycle with 21 friends; Cycle 2.1km for 21 days; visit 21 pubs on your cycle ride;
- Other fundraising ideas can be found on the next page.
